Village of Akron/Town of Newstead
Electronic Recycling Drop-Off

In cooperation with Regional Computer Recycling & Recovery, the Village of Akron and the Town of Newstead are pleased to announce that we will be offering a free Electronic Recycling Drop-Off site for the residents of the Village of Akron and the Town of Newstead.

Beginning on Saturday April 19, 2014 and continuing each Saturday through November 22, 2014 electronic waste may be recycled at the Village of Akron/Town of Newstead Joint Public Works Facility located at 12707 Clarence Center Road between 9:00 AM – 12:00 PM.

Electronics may also be dropped off Monday through Friday between 7:00 AM – 3:00 PM throughout the year.

<u>Acceptable Electronic Waste:</u>

Computers	**Laptops**	**CRT Monitors**	**LCD Monitors**
Televisions	**Keyboards**	**Fax Machines**	**Scanners**
Small Copiers	**Small Printers**	**VCR's**	**DVD Players**
Cable Receivers	**Game Consoles**	**Cell Phones**	**Converter Boxes**

Computers and electronics may contain hazardous waste elements such as lead solder, cadmium and beryllium. Monitors, Cathode Ray Tubes (CRT's) and Televisions have anywhere from 4 to 8 pounds of lead. These types of equipment need to be recycled properly in an environmentally sound fashion.

For more information, please feel free to contact the Village of Akron (542-9636) or the Town of Newstead (542-4573).
