You Can Play A Big Part In Preventing Crime...

The Recreation Trail is Patrolled by Citizen Volunteers

A Message From Clarence Town Supervisor

As you all know criminals are opportunists, and they go where the opportunity presents itself, including so-called nice areas.

The purpose of this pamphlet is to inform you of 12 tips that may safeguard you while running, walking, or cycling anywhere.

If you would like to volunteer your time to walk the Recreation Trail, contact my office at 716-741-8930

Help make the Recreation Trail the Safest in the Nation

Start With Some Common Sense Rules...

1. Never run in areas that are not well traveled.
2. Never run at night or early morning.
3. Avoid isolated areas and shortcuts.
4. Use the buddy system. Jog or run with another person.
5. Always avoid running with people you don't know.
6. vary your schedule, so that no one can detect a pattern.
7. Behave confidently! Always look as if you are in control.
8. Be Alert! Be aware of your surroundings.
9. Think about an escape route. Maybe run in a different direction.
10. Be familiar with the location.
11. If you sense something wrong, turn around and go in a different direction.
12. If a car is used to get to your running area, put all of your valuables into the trunk and make sure you lock it. Carry your car key pinned to shirt or shorts.

Remember! You can play a big part in preventing crime...
