Dear Angela Horton, P.E.
The Eden Corn Festival Inc. Is petitioning the Erie County Sewer District 2 for supplies for the installation of a sewer line in the Eden Corn Festival's vendor camping and storage area.
Supplies being petitioned include: 980 feet of pipe, 12 T's, and 2 caps.
Grey water holding tanks have been utilized in previous years which is causing a financial hardship to the Festival. The installation of a permanent sewer line would be a tremendous benefit to the Eden Corn festival as well as the 20 Not-For-Profit Groups it supports.
The Eden Corn Festival is located on the grounds of the American Legion Post #880, 2912 Legion Drive, Eden, NY. The Festival supports 20 Not-For-Profit organizations and raises approximately $300,000 annually for these groups.

Thank you for considering our request and we look forward to hearing back from you. If additinal information is needed please feel free to contact me via phone, email, or US Mail.

Kind Regards

Jeff Winter
