ELECTRICAL INSPECTIONS OF POOL INSTALLATIONS IN THE TOWN OF CLARENCE
4-13-2012

To whom it may concern,

Please forward this letter to the person responsible for coordinating inspections.

As the applicant you are responsible for coordinating all inspections associated with the construction of the pool. To ensure my availability for inspections I am requesting a notice of a minimum of 24 hrs. before inspection is needed. I am available for inspections Monday - Thursday, between the hours of 8:30 and 12 noon.

If you have any questions about electrical inspection requirements please contact me.

Thank you,

Tim Enderby
