RE: Erie County Sewer District No. 2
Lake Shore Road LPG System
Availability of Sewer

Dear Homeowner:

The Erie County Department of Environment and Planning/Division of Sewerage Management (ECDEP/DSM) is pleased to announce that the sanitary sewer installed to service your property is ready for use. You now have 90 days from the date of this letter to connect to the sewer. In order to connect, a permit must be obtained from the Southern Region District Office at 8443 Lakeshore Road, Angola, NY 14006. The office is open from 8:30 am to 3:30 pm, Monday through Friday (except holidays).

The permit and connection fee is $2.00. Typically, your contractor/plumber will secure the permit. When the permit is picked up, information regarding the County's rules and regulations, including detailed specifications for the materials and installation of your lateral will be provided. The inspection fee of $500 is waived, however, please be advised that the inspection itself is not waived. Your contractor/plumber shall have the work inspected by the County Sewer Department, as part of the permit and details for a house service lateral and typical connection.

Should you have any questions, please feel free to contact me at 858-8663 or the Southern Region District office at 549-3161.

Thank you for your continued cooperation in this matter.

Sincerely,

Peter J. Ruffino

Peter J. Ruffino
Assistant Sanitary Engineer
