Erie County Legislature
92 Franklin Building, 7th Floor
Buffalo, NY 14202

Dear Mr. Garber:

April 16, 2013 will mark the anniversary of Erie County Agricultural Districts No.2 and No. 4 which were first formed on April 16, 1972.

Consistent with the requirements of the Agriculture and Markets Law, your legislative body must cause a review of the Districts to be conducted. This letter serves as a notice to initiate the review and generally defines the review process and time frame.

The review is designed to gauge the District's effect on local government policies concerning community development, environmental protection and preservation of the agricultural economy. The review must also consider how District farms and farm acres have furthered the purposes for which it was originally established, the extent to which it has achieved its original objectives and its degree of consistency with community economic and land use conditions.

The Agricultural District 8-year review procedures and forms are detailed on the Departments Website at: http://www.agmkt.state.ny.us/programs.html and http://www.agmkt.state.ny.us/AP/agservices/agdistricts.html

If I can be of any assistance during the district review or if you have any questions regarding the Agricultural Districts Program, please call me at 518-457-5606 or e-mail at john.brennan@agriculture.ny.gov

Sincerely,

John F. Brennan
Agricultural Districts Program Manager
