

**PUBLIC NOTICE
VILLAGE OF AKRON**

Notice is hereby given that the Village of Akron’s Electric Department (Village of Akron Electric) has filed revised rates with the Public Service Commission to comply with the Commission’s order, Case 17-E-0231 dated October 19th, 2017. These revised rates will become effective on November 1st, 2017. These revised rates will be reflected in the customer’s December 1st, 2017 electric bill. The table below shows a comparison between the Department’s current rates and rates effective November 1, 2017. The increase represents the change to the **base rate**. The cost impact for the average residential customer will be an increase of approximately 10.17%, based on average usage of 750 kwh. . The commission’s order is available for viewing at the Village Office, 21 Main Street, Akron, NY 14001. In addition, the order can also be viewed on the New York State Public Service Commission’s website – www.dps.ny.gov.
