The County of Erie invites the public to review and comment on its Year 6 Annual Report in an effort to increase public awareness and encourage involvement with stormwater pollution prevention.

Erie County is a member of and lead agency for the Western New York Stormwater Coalition, a group consisting of representatives from Erie County, Niagara County, thirty-nine regulated municipalities and environmental consultants. The members meet on a monthly basis to collaborate on developing and implementing a comprehensive stormwater management program.

Erie County's Year 7 Annual Report details its program accomplishments for the March 2009 – March 2010 report period, as well as the shared work of the WNYSC.

We appreciate your time and effort in reviewing our report. Please comment below and submit via e-mail (mary.rossi@erie.gov), fax (858-7713) or U.S. Mail to:
