RE: Erie County Toxicology Laboratory – Asbestos Abatement

Dear Honorable Members:

The Department of Public Works has received bids for the above project on November 7, 2013 and after review of the bids received, will be forwarding a proposed resolution for award of construction contract.

Due to the critical time schedule for this project, we are requesting that this item be placed on the next Economic Development Committee agenda as an open item.

Should your Honorable Body require further information, I encourage you to contact the Commissioner of Public Works, John C. Loffredo. Thank you for your consideration on this matter.

Sincerely,

Mark C. Poloncarz, Esq.
Erie County Executive
