Dear Madame Chair:

It is with my sincerest regret that I am writing this letter as a resignation of my position on the Erie County Agriculture and Farmland Protection Board. Unfortunately I have a number of recent personal and family matters which are requiring my full attention. I have appreciated the opportunity to sit on the Board and wish the Board best of luck. I am hopeful that I may have the opportunity to return in the future but for now I must step down. Thank you for everything and especially any time and consideration given to this matter.

Very truly yours,

Robert Jason Engel
