RE: Erie Community College – 2015 – North Campus Heating & Cooling Evaluation and Implementation Project

Dear Honorable Members:

The Department of Public Works will be receiving proposals for Engineering Services for the Erie Community College – 2015 – Heating & Cooling Evaluation and Implementation project in the near future and will be seeking authorization for award of contract.

Due to the critical time schedule for this project, we are requesting that this item be placed on the next Community Enrichment Committee agenda as an open item.

Should your Honorable Body require further information, I encourage you to contact the Commissioner of Public Works, John C. Loffredo. Thank you for your consideration on this matter.

Sincerely,

Mark C. Poloncarz, Esq.
