402nd Civil Affairs Team Support to 1st Battalion The Black Watch G5, 24 March to 27 June 2003

The 402nd Civil Affairs Team was attached to 1st Battalion the Black Watch from 24 March to 27 June 2003. Throughout this period the 9 strong Civil Affairs Team demonstrated dedication, commitment, courage and humanity in a harsh and challenging environment.

The Team was attached to the Battle Group throughout the Battle of Az Zubayr and when it broke into and captured Basrah. They were involved in G5 assessment and the distribution of Humanitarian Aid throughout this period. While hostilities were still in full swing across the area the Civil Affairs Team were distributing food and water to the citizens of Az Zubayr. On two occasions the Distribution Points were contacted my small arms and on both occasions the team reacted with professionalism and composure to retain control of the situation and complete the mission of distributing the aid.

With the defeat of Iraqi regime the emphasis on operations focussed more on G5 as the rehabilitation and reconstruction of Basrah started. For this phase the Civil Affairs Team have worked extremely hard and have made a considerable contribution to the rapid progress that the Basrah region has made. Their efforts have been particularly focussed on the distribution of water and the reorganization of the water, medical and education departments.

It is without doubt that Maj McGuire's team made a significant effect to the G5 mission in Basrah and was a crucial part to the initial G5 success of 7 Armoured Brigade.
