DRAFT

Re: Town of Alden Proposed Bicycle and Walking Path

Dear Landowner:

In 2006, you gave a Letter of Intent to the Town of Alden indicated your willingness to consider giving the Town of Alden an easement over your property for a paved bicycle and walking path to connect the Robert O. Smith Park and the Memorial Park. The Town of Alden did not receive those 2006 grant monies, but is now looking to install a path without grant monies.

I enclose a photocopy of a map showing the approximate proposed location of the ten foot (10') wide paved path that would go through your property if you so consent. The Town is looking for a twenty (20) year easement from the affected Landowners.

If you are willing to consider giving the Town of Alden a twenty (20) year easement over your lands I ask that you sign below and return this letter to my attention in the enclosed self-addresses stamped envelope.

At the end of the twenty (20) year easement, the Town could ask you (or the current landowner) to extend the easement or might be to obligated to remove the paved area at its expense.

Thank you for your cooperation in regard to this matter. Should you have any questions, please feel free to contact the undersigned.

Very truly yours,
