Dear Parents and Community Members:

It is with great enthusiasm that I look forward to the 2013-14 school year. The opportunity to serve the Alden Central School District and community in the capacity of Interim Superintendent is not one I take lightly. One of my goals for this school year is to nurture and sustain a culture of trust and collaboration.

In an effort to keep our community informed, and highlight the great things that are happening in our schools we have established a Superintendent Advisory Committee (SAC). You are the recipient of this letter in hopes that you, or a member of your organization, will be available to attend these meetings.

The meetings will be held monthly, with the exception of December, from 5:30pm – 6:45pm in the High School Auditorium. The first 30 minutes will be devoted to relevant issues schools, communities, and families are currently facing. Immediately following these presentations there will be time for individuals attending the meetings to ask questions about the program or other relevant topics.

If you or members of your organization are interested in attending the SAC meetings please reference the enclosed schedule. The first SAC meeting will be held on September 19, 2013 in the High School Auditorium. I look forward to the opportunity to receive community input on a variety of topics while sharing information about the Alden Central School District.

Thank you for considering this opportunity. I look forward to working closely with you and all stakeholders within our District.

Sincerely,

Adam Stoltman
Interim Superintendent
