July 25, 2013

Alden Town Board of Directors  
Attn: Mrs. Mary Riddoch, Councilwoman  
3311 Wende Road  
Alden, NY 14004

Dear Mrs. Riddoch;

First, I would like to thank you for the use of the Town Hall gymnasium for our practices for the 2013 regular season. Having the opportunity to cultivate the fundamental skills of our youth will nurture growth and athletic ability. We are very appreciative of having the support to use the facility.

This year there was an interest to see how our league compared to other leagues, so we participated in a few area baseball tournaments. We learned much about what our organization needs to work on so that in future years we build competitive athletes as they grow to high school athletes. We learned that we have to have players that can hit well and are challenged. After discussion, we are hoping to have a travel league. To institute a travel league we would need a practice area that is all year long. It is our hope that the league could continue to use the Alden Town Hall gymnasium in order to foster more competitive and passionate athletes in the Alden community.

At this time, I would like to request use of the Alden Town Hall gymnasium for baseball practices through the fall and winter. If approved, a more complete schedule can be given to the Town Board after travel teams have been set and the coach(es) have a better idea of times. The use of the facility will be smaller scale as it will most likely consist of 1 to 2 teams depending on interest.

Thank you for your time and consideration to this matter. I look forward to speaking with you regarding this opportunity for our youth baseball players. Please feel free to contact me if you have any questions or concerns. I can be reached at 716-523-8180.

Sincerely,

Steve DePaolis  
AYB President
