

Erie County Legislator Patrick B. Burke

7th District - Cheektowaga, South Buffalo, Sloan and Kaisertown

Chair Mills,

I am writing in regards to the recent water main break and loss of pressure that resulted in a “boil advisory” on July 20th. Many of my constituents in the north end of the 7th district were impacted by this water outage. I have received numerous communications requesting information and answers.

I also have serious concerns about the manner in which this event was handled and how similar events in the future will be managed.

I would like to request a formal public hearing of the Legislature with the Erie County Water Authority to discuss this issue in detail.

Respectfully,

Patrick Burke
