2016 FALL PROGRAMS

Dear Clarence Residents:

We are proud to present you with our annual **Youth Bureau and Recreation Department Fall Brochure**. There are a variety of activities, programs and events you won't want to miss! The brochure is organized by month, October – December. Each entry includes dates, times, location, cost, description and registration deadlines. As always, if you have any questions, please feel free to call us at **407-2162**.

General Information

- Class sizes are limited, therefore, classes will be filled on a first come, first served basis. We reserve the right to cancel a class due to insufficient registration.
- **Checks/money orders should be made payable to: Town of Clarence. Separate checks must be written for each class.**
- For safety reasons, personnel from the Town of Clarence are not responsible for children dropped off early, picked up late or unattended when their classes are not in session.
- Each participant must have a completed registration form on file in order to participate.
- You must provide your own transportation unless otherwise noted.

A full version of this brochure can be found on the town's website at:

Time: 10:00 am -11:30 am

Location: 10510 Main Street, Clarence Youth Bureau

Ages: 5 -12 years old

Cost: \$5

Registration Deadline: Wednesday, November 16th

Description:

Has your child ever wanted to discover a new dinosaur or discover bones that are millions of years old? During this career session your children will get to make a fossil while exploring real fossils, create a new dinosaur, and dig up bones. We will be watching a video on a paleontologist who discovered a brand new dinosaur.

This take home packet will include information from Penn Dixie nature preserve, facts about paleontology, and other information to continue your child's learning experience.

ASTRONOMER

Date: Wednesday, December 28th

Time: 5:00-6:30 pm

Location: 10510 Main Street, Clarence Youth Bureau

Ages: 5 -12 years old

Cost: \$5

Registration Deadline: Wednesday, December 21st

Description:

Does your child love star gazing and learning about planets? During this career session we will make our own planet, launch a rocket onto the moon, build our own constellations and watch a video about an astronomer who works on the world's largest telescope.

This take home packet will include websites, printouts and places to visit to continue your child's learning and love of astronomy.
