To: Permit / General Contractor applicants

Re: Proof of insurance or exemption

**Proof of insurance coverage must be provided in the following forms:
Workers Compensation (U26 or C-105)
NYS Disability (DB120)**

Insurance information on an Accord form is unacceptable.

General contractors that qualify for a Certificate of Attestation Exemption (CE.200) from New York State Workers Compensation and/or Disability Benefits Insurance Coverage must submit the CE.200 Exemption completed for the specific project on the permit application.

General contractors are cautioned to consult with an attorney to determine their obligation to provide proper coverage or the Certificate of Attestation.
