

# CLARENCE MUSTANGS

## 2013 - 2014 TRAVEL HOCKEY TRYOUTS

The Clarence Mustangs organization is a "B" center in the West Section of NYSAHA going into our 13th season. All teams listed 2004 and beyond are eligible to compete at the Tier II travel level in the WNYAHL.

For the 2013-2014 season, the Clarence Mustangs will be fielding full ice mite travel teams for birth years 2005 and 2006. Players on these teams will be selected via try outs. Skaters will be dual-registered with USA Hockey and AAU. Teams will play AAU full ice game competition and follow the USA Hockey ADM model for practices.

**A release from your current organization and a copy of the player's birth certificate are required in order to tryout. Players should plan on being at all tryout sessions. Please bring a down payment of \$200 with the desire to make a commitment, should the player be offered a roster spot on the team.**

			Tues. 4/9 8:40 pm

*\*USA Hockey and NYSAHA are mandating that all associations run cross ice hockey programs for all 8U age groups. We have a comprehensive program set up that will follow the USA Hockey guidelines and support the beginner through 8-year-old advanced hockey player. For players born 2005-2006 not ready for travel hockey, and those born 2007-2009 at the mini mite level, the Mustangs offer our ADM/cross ice house and beginner skating teams, partnered with Bisons Hockey. There are no try-outs for these programs, however space is limited. Registration for these programs opens 3/15/13.*
