

# Registered Electronic Waste Recycling Facilities

The following is a list of electronic waste recycling facilities registered under the [NYS Electronic Equipment Recycling and Reuse Act \(PDF\)](#) (39 kb) (Act). Inclusion in this list does not constitute an endorsement by the NYS Department of Environmental Conservation (Department). The list is sorted alphabetically by county, and will be updated periodically as new electronic waste recycling facilities located in NYS register with the Department.

Consumers please note: an electronic waste recycling facility's address listed below might not represent a drop-off acceptance location for your equipment, as this type of facility is not required to accept electronic waste directly from consumers under the Act. If you are looking for a convenient method of acceptance for your equipment, please visit the Department's [Guidance for Consumers of Covered Electronic Equipment](#) webpage. Here you will find information on how to recycle or reuse your equipment, free of charge, through a specific manufacturer's electronic waste acceptance program.
