

A special thank you to all of those that have donated their time, services, food and beverages, equipment, etc. for the Clarence Town Hall for the first responders.(Town of Clarence Emergency Operation Center). There were also a number of residents and businesses that donated to the Clarence Center Vol. Fire Company that may not be listed below. If we miss anyone, we apologize... We have received an overwhelming amount of calls for people wanting to help or donate, not only from the Town of Clarence, but neighboring Town's as well. Again, thank you all for volunteering or donating items!
