Dear Applicant:

The Town relies upon the accuracy of information contained in the employment application, as well as the accuracy of other data presented throughout the hiring process. Any misrepresentations, falsifications, or material omissions in any of this information or data may result in the Town's exclusion of an individual from further consideration for employment or disqualification if the conduct is discovered after employment commences.

To further ensure that individuals who join the Town are well-qualified and have a strong potential to be productive and successful, it is the policy of the Town to check the employment references of qualified applicants.

If after an individual has been appointed/hired by the Town, the information provided by the individual on the original application or during the application process changes for any of the questions on application, the individual has a continuing duty to inform the Town of any changes as soon the changes occur.

Finally, please be advised that applicants for some positions at the Town of Clarence are required to successfully complete a pre-employment physical and/or drug testing prior to commencing employment with the Town. With respect to those positions, it is the Town's policy to make an offer of employment contingent upon the satisfactory completion of the physical examination and/or drug testing. The Town will notify applicants at the time it extends offers of employment if they will be required to complete a pre-employment physical and/or drug test.

If you have any questions about the application or the application process, please feel free to contact me at 741-8930, and someone will assist you.

Thank you.
