Safe Driving
No Texting Pledge

In recognition of the life-threatening dangers inherent in distracted driving, I pledge to the following:

♦ I will not send or receive text messages, tweet, speak on cellphone or use any distracting technology while driving.
♦ I will wear a seat belt at all times, including any passengers.
♦ I will be a good passenger and speak up if the driver in my car is distracted.
♦ I will never drive under the influence of drugs or alcohol.

I certify that I have read and understand the rules for teen drivers and will comply with these rules for the safety of myself, my passengers, and others on the road. I understand that violation of these rules may result in the loss of my driving privileges, which my parents/Guardians reserve the right to deny in the event I violate these rules.
