Erie County Towing Services

If a County vehicle needs a tow, during normal DPW working hours (Monday to Friday 7:00 am-3:00 pm), please call the Aurora Maintenance District at (716) 652-0410.

If towing is needed after regular working hours, on weekends or holidays, contact one of the following County officials for authorization:

Aurora Maintenance District - (716) 319.0898
Clarence Maintenance District - (716) 512.9926
East Concord Maintenance District - (716) 864.2674
Hamburg Maintenance District - (716) 449.5992
Harlem Maintenance District - (716) 628.7087

They will evaluate the situation and determine the appropriate response.

If one of the above officials authorizes a private tow, you will be authorized to contact a private vendor. The County maintains arrangements with private towing operators to tow County vehicles when County equipment is unavailable to tow.

***If towing, have vehicle towed to closest highway facility, see attached list.**
