RE: Erie County Sewer District No. 4: Contract 49
Stony Road Sanitary Sewer Repair
Contract Award to Yarussi Construction, Inc.

Bids were opened on July 15th, 2015 for our Contract 49, Stony Road Sanitary Sewer Repair Project. There were 4 bidders and Yarussi Construction, Inc. was the lowest responsible bidder with a bid of \$215,000.00. The next lowest bidder was \$333,333.00 and the engineer's estimate was \$184,600.00. Based on that, we feel the bid amount is a good, competitive number. Their bid package was complete, properly filled out, and contained no errors. Yarussi submitted a responsive bid.

Yarussi has been the second lowest bidder on several of our projects. They have not yet worked with the Division but has constructed numerous projects in Western New York, in particular Niagara County. The Division has contacted owners of four of Yarussi projects and all have stated Yarussi has successfully constructed and completed those sanitary sewer projects. Yarussi should have no problem providing the necessary manpower and equipment for this contract.

We believe Yarussi Construction, Inc. is capable of handling the work associated with this contract. Our recommendation is to award Contract 49 to Yarussi Construction, Inc. at a total bid of \$215,000.00.
