Re: Thank You – November 2014 “Winter Storm Knife” Event

Dear Mr. Gunner,

On behalf of the staff in the Erie County Division of Sewerage Management’s Central Region, I wanted to express sincere thanks and gratitude for the assistance the Town of Aurora’s Highway Department provided during the “Winter Storm Knife” event. On November 22<sup>nd</sup>, Central Region staff contacted you after a tree fell near the Erie County Sewer District (ECSD) No. 8 Geneva Pumping Station, leaving the facility without power. While the Town Highway Department undoubtedly had numerous tasks to complete, your Department took the time during the heart of the storm response to send a loader and crew to help remove snow in the vicinity of the Geneva Pumping Station so Central Region staff could mobilize a portable generator. With the assistance of your staff, temporary power was quickly provided to this important facility serving the Town’s residents in this area of ECSD No. 8.

Thank you again for your help. I hope you have a happy New Year.

Sincerely,

  
Joseph L. Fiegl, P.E.  
Deputy Commissioner
