

COUNTY OF ERIE
DEPARTMENT OF ENVIRONMENT & PLANNING
DIVISION OF SEWERAGE MANAGEMNT
**** MEMORANDUM ****

TO: Garry Pecak, P.E., Senior Sanitary Engineer
FROM: Matt A. Salah, P.E., Senior Coord. Sewer Construction Projects *MS*
DATE: June 9, 2016
RE: Refund-
Sean Miller
697 Center St.
E. Aurora, NY 14052
ECSD No. 8

On March 28, 2016 Permit No. CP0800367 was issued to Mr. Sean Miller of 697 Center St. E. Aurora, NY 14052 to connect his house on the same premises to the public sanitary sewer. The fees paid at the time were in the total amount of \$502.00.

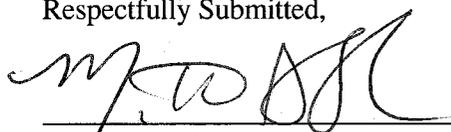

Because the physical house sits more than 300 feet away from the public sewers Mr. Miller was able to obtain a septic system approval from the Health Department.

Now, Mr. Miller is requesting refund of the permit fees paid on March 28, 2016.

It is the Division of Sewerage Management recommendation to refund Mr. Miller the fees paid less Fifty Dollars (\$50.00) in administrative fees. The total amount to be refunded will be \$452.00. Please obtain the Board's approval for this request.

If you have any questions, please let me know.

Respectfully Submitted,

Matt A. Salah, P.E.
Senior Coord. Sewer Construction Projects

Dear Mr. Salah,

I am writing this letter to in regards to the \$502.00 paid for a sewer permit for 697 Center Street, East Aurora, New York 14052. We paid for the permit because we believed we were obligated to tap into the sewer system. After further research we have been approved to use a septic system. Please consider this request for a full refund of our money in the amount of 502.00. Thank you.

Sincerely,

Sean Miller
