RE: Cured in Place Pipe Lining Term Agreement  
Contract No. 70  
**Work Order No. 20A**  
Northern Region – Erie County Sewer District No. 1, 4, 5

Dear Mr. Kerl:

Please consider this the formal issuing of **Work Order No. 20A** effective June 10, 2016, for the Erie County Sewer Districts No. 1, 2, 3, 4, 5, 6, 8 Cured-in-Place Pipe Lining Term Agreement, Contract 70. This Work Order covers work to be complete in the Erie County Sewer Districts 1, 4, 5 under the 2016 Northern Region budget allocation.

This Work Order is supplemental to the spot repair issued under Work Order No. 20 and is to be considered a **high priority**. Attached is a list of the sewer sections to be investigated and lined for this Work Order under the above mentioned contract. Maps of the locations of these lines and preliminary condition reports from the County are enclosed. You are reminded that any condition reports provided by the County are for informational purposes only and are not a substitute for investigation work required under this contract. If any maps are missing from the provided information please inform me and I will forward them to you promptly. Please provide me with a proposed work schedule, homeowner notification procedure, and any other pre-investigation submittals, as required per the contract, prior to beginning the investigation work under this Work Order.

If you have any questions please contact me at 716-858-6267.

Very truly yours,

Garry S. Pecak, P.E.  
Sr. Sanitary Engineer
