**FROM:** Joseph L. Fiegl, P.E., DEPUTY COMMISSIONER   
**TO:** BOARD OF MANAGERS - ERIE COUNTY SEWER DISTRICT NO. 4  
**DATE:** June 15, 2016  
**SUBJECT:** Draft 2017 Budget

---

Enclosed for your perusal and subsequent discussion at the June 22, 2016 Board Meeting is a draft copy of the 2017 Budget.

The District's total appropriations have increased \$561,715 or 5.5%. The increase is primarily due to an increase in Debt Service costs (570040) and an increase to Capital Reserves (570000). These increases are offset by additional use of Fund Balance.

It is recommended for the 2017 Budget, that the flat charge increase to \$190.00 and the footage charge increase to \$0.70/foot. With the above and a corresponding decrease in the assessed valuation rates, the average sewer charge for the typical average single family home in Sewer District No. 4 in 2017 will increase approximately \$4.00 or 1.4%.

A copy of the calculations showing the projected 2017 sewer rates using last year's assessment data is also attached (Page 3).

I look forward to beginning the discussion on the proposed budget at our next meeting.
