SUBJECTS OF EXAMINATION: A written test designed to evaluate knowledge, skills and /or abilities in the following areas:

1. **OFFICE RECORD KEEPING:** These questions test your ability to perform common office record keeping tasks. The test consists of two or more "sets" of questions, each set concerning a different problem. Typical record keeping problems might involve the organization or collation of data from several sources; scheduling; maintaining a record system using running balances; or completion of a table summarizing data using totals, subtotals, averages and percents. **You should bring with you a hand-held battery- or solar-powered calculator for use on this test. You will not be permitted to use the calculator function of your cell phone.**
2. **PERSONNEL PRINCIPLES & PRACTICES:** These questions test for knowledge of the principles and practices used in performing procedures and in addressing issues that are part of the personnel function in a governmental agency, and in responding to general questions about the personnel function.
3. **PREPARING WRITTEN MATERIAL:** These questions test for the ability to present information clearly and accurately, and to organize paragraphs logically and comprehensibly. For some questions, you will be given information in two or three sentences followed by four restatements of the information. You must then choose the best version. For other questions, you will be given paragraphs with their sentences out of order. You must then choose, from four suggestions, the best order for the sentences.
4. **UNDERSTANDING & INTERPRETING WRITTEN MATERIAL BASED ON LAWS, POLICIES, & PROCEDURES RELATING TO HEALTH INSURANCE & OTHER EMPLOYEE BENEFITS:** These questions test the ability to read, interpret, and apply these laws, policies, and procedures. You will be provided with brief reading selections, each followed by one or more questions. All information needed to answer the questions is contained in the reading selections. No prior knowledge is required.
