

The Town of Lancaster, in conjunction with the Village of Lancaster and Village of Depew, located in eastern Erie County, is requesting proposals from land planning professionals for the preparation of a combined Comprehensive Master Plan. The last joint master plan was developed in 2000 and an update is needed to guide the municipalities' decision making processes regarding growth, development, and preservation, thereby insuring that the communities prosper economically while maintaining their current character. A copy for the formal Request for Proposals can be obtained by contacting: Town of Lancaster, Office of the Supervisor, 21 Central Avenue, Lancaster, NY 14086 (telephone: 716-683-1610 or email: [JAbraham@lancasterny.gov](mailto:JAbraham@lancasterny.gov)). The submission deadline is December 14, 2016.

The contract will be funded wholly or partially with federal funds and, as such, is subject to all federal rules and regulations pertinent thereto, including but not limited to federal policy of encouraging participation of minority and women business enterprises as sources of supplies, equipment, and professional services.
