Your contact email (optional):

Thank you for your participation.

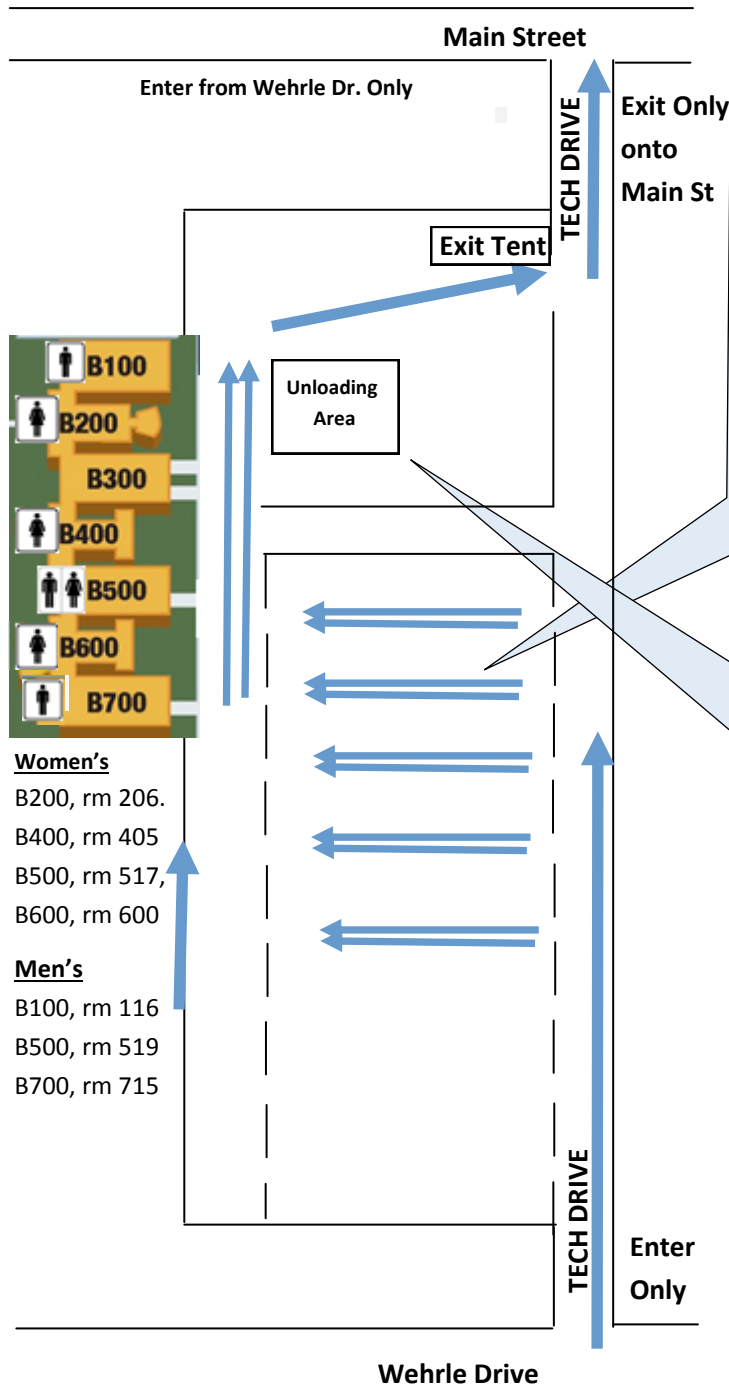

THIS FORM WILL BE COLLECTED FROM YOU AT THE SITE EXIT.

For information on today's process, please see other side.

Erie County

Household Hazardous Waste Collection Events

Each year Erie County, along with the Solid Waste Management Boards, sponsor two Household Hazardous Waste collection events at no charge to our residents. These collections are a cost effective way to provide environmentally safe disposal for common hazardous materials found in your home. Erie County is pleased to offer this program which will serve approximately 1,500 households today.

Our wait lines:

We have a traffic system in place for vehicle line-up prior to being sent to the unloading area. The system is designed to ensure that residents are served in the order in which they arrive.

- Please expect an hour or more wait, so if you need to leave, please ask our crew first.
- Please turn off your car engine while in the lot until you are asked to proceed.
- Fill out this form (on reverse side)
- Follow the instructions from our crew.
- Your patience is appreciated.

Unloading area:

We ask for your patience while we unload the vehicles as quickly as possible. Materials must be handled with care, and our workers are being careful to protect you and your vehicle.

Safety is our highest priority. Please be very aware of the staff working to move the lines along and unloading your car.

- Put your car in park, while being unloaded.
- Please do not get out of the car in the unloading area.
- No smoking
- Follow instructions of our crew.
- If you want any of your containers back, speak to our crew.
- Turn in this form at the Exit Tent, beyond the unloading area.
- Thank you for participating.
