

From the Office of
ERIE COUNTY EXECUTIVE MARK POLONCARZ

Thank you for allowing me the privilege to serve as your County Executive. I am honored to work on your behalf. I firmly believe that government is not a business and, likewise, should not be run like one. As your Comptroller, I understood that creating a better county government isn't about spending more money, but about using the resources you have as wisely as possible. County government serves an important role, and I intend to return it to its core mission: to provide the programs and services that residents and taxpayers demand as effectively and efficiently as possible. Once again, thank you for allowing me to serve on your behalf, I greatly appreciate it.

- *Mark C. Poloncarz, Erie County Executive*
