Traffic Incident Management –

Start Date: 11/7/2018 5:30 PM

End Date: 11/7/2018 10:30 PM

The Traffic Incident Management (TIM) for Emergency Service Personnel program was developed by responders—for responders, with the objective that nationally; all organizations who respond to roadway incidents acquire a common set of core competencies that promote a shared understanding of the requirements for achieving the safety of responders and motorists, quick response, and effective communications at traffic incident scenes. VFIS has partnered with the Federal Highway Administration in making our program a SHRP2 equivalent program. A VFIS/SHRP2 certificate will be issued upon completion of this program. The target audience for this class includes a mix of Fire, Law Enforcement, Fire Police, EMS, Dispatchers, Road Department, Towing, and Traffic Management Professionals.
