The 100 Club of Buffalo annually honors heroes throughout Western New York at our Annual Hero Awards Dinner. This year's dinner will be held at The Buffalo Country Club on 2/21/20. The honor is awarded to individuals who have performed their duty beyond expectations. The Heroes awards are presented to individuals from Western New York who are members of a Police Agency, Fire Department, Volunteer Fire Dept., Medical Facility, or a civilian who performs an act of service worthy of being a hero.

The 100 Club of Buffalo is canvassing Police Departments, Fire Departments, Volunteer Fire Departments, Medical Facilities, as well as civilians, in an effort to recognize individuals who performed an action worthy of receiving our Hero Award.

The 100 Club of Buffalo is requesting your Agency to review your case files, investigations, and employee performances that occurred in the year 2019 in order to determine if in fact someone in your Department is worthy of receiving our Hero Award. If there is an individual that has achieved that status we request that you notify The 100 Club of Buffalo at the address and contact numbers listed below. The name of the individual as well as a short summary of his or her accomplishment during the past year will be reviewed by our Awards Committee, made up of several Directors of the 100 Club of Buffalo.

After careful consideration of all the candidate's accomplishments, a determination will be made as to what candidates merit our 100 Club of Buffalo Heroes Award.

If you could please reply by 12/16/2019 it would be greatly appreciated.

Thank You for your time.

John M. Cleary Jr.
