

got pills?

Recent news about the detection of prescription drugs in drinking water has caused concern about the impact on human health. Also storing expired and unwanted medications in your home increases the risk of accidental poisoning. Help protect our water and your safety by disposing of medicines properly through collection and incineration.

What to Bring: ANY unwanted or expired prescription or over-the-counter medications, syringes, inhalers, liquids, ointments, patches, etc.

*** Please DO NOT bring mercury-containing or radioactive products!**

When: Saturday, September 27, 2014 from 10:00AM – 2:00PM
