

ECDOH Family Planning Center

Erie County Department of Health's (ECDOH) Family Planning Center provides confidential, non-judgmental, comprehensive and patient-centered reproductive services regardless of age, gender, race, religious affiliation, sexual orientation and/or disability.

At the ECDOH Family Planning Center, we provide education and support to select the most effective and appropriate contraceptive method for you.

We work closely with each patient to ensure healthy and safe reproductive health choices are made. We offer multiple resources and can assist with referrals to other healthcare providers, based on your needs.
