

DIRECTIONS TO THE ERIE COUNTY PUBLIC HEALTH LABORATORIES

- Exit I-90 (NYS Thruway) at Exit 51W to Route 33 (Kensington Expressway) toward downtown Buffalo.
- Proceed on Rt. 33 westbound to Grider Street exit.
- Exit at Grider St. exit and proceed through one (1) stop sign to Grider St.
- Turn LEFT on Grider St. and proceed through two (2) traffic signals to the Erie County Medical Center (ECMC) Campus, Emergency Room Gate.
- Enter the ECMC campus by turning RIGHT into the Emergency Room gate.
- Follow the roadway (as indicated below) past the hospital emergency entrance, staff parking, and physical plant to arrive at the Erie County Public Health Laboratories.

Please be advised that visitors to the Erie County Public Health Laboratories will be required to register in the laboratory administrative office upon arrival (driver's license or other official photographic identification required) and obtain a visitor's identification card.

Any and all packages, including personal bags, may be subject to inspection upon arrival to and departure from the laboratory facilities.
