Health Advisory #42 - Asthma - 04/30/2003

Attached you will find a Wellness Message from Dr. Anthony Billittier, Commissioner of the Erie County Department of Health. We look forward to sending you a quarterly wellness message relating to current and significant health issues. Please copy the attached flyer and distribute it to your consumers, clients and/or members. Additionally, we ask that you consider hanging the flier in a conspicuous place to help bring important health messages to those we serve. The attached message will also be posted on the Erie County Department of Health's website (<http://www.erie.gov/health>) which contains health information that you may find valuable.

If you have any questions, please feel free to contact Mary Jo Carlo at (716) 858-2737 or by e-mail at carlom@erie.gov. Thank you, in advance, for partnering with us to promote wellness in our community!
