## Dr. Burstein Invited to Present at Two National Conferences

Gale Burstein, MD, with the Erie County Department of Health (ECDOH), has been invited to present an abstract of her study titled *Enhanced Pelvic Inflammatory Disease Surveillance in Two Erie County, New York Emergency Departments* at the CDC National STD Prevention Conference in Atlanta, GA during March of 2010.

Additionally, Dr. Burstein has been invited to present another abstract, *Missed Pelvic Inflammatory Disease Diagnoses and Treatment Detected Through Health Department Surveillance in Two Western New York Emergency Departments*, at the North American Society for Pediatric and Adolescent Gynecology Conference in Las Vegas, NV during April 2010.
