## **Sandra Diagostino selected as NY State representative on CDC workgroup**

Sandra Diagostino, RN, BSN, Immunization Specialist with the Erie County Department of Health (ECDOH), has been selected as the New York State (NYS) workgroup representative on a Centers for Disease Control & Prevention (CDC) workgroup. This important workgroup is related to the Immunization Information System (IIS) and is focused on the reminder/recall activities of that system. The workgroup is part of a broader national initiative aimed at the analysis and improvement of IIS operations. The goal of this effort is to expand an IIS guidebook to make operational IIS functionality including highlighting best practices and innovative strategies and sharing these nationally. Sandra will serve as a subject matter expert (SME) on this workgroup.
