Dear Michael J.,

URGENT!!!

I just received a call from Ryan Gunning, the Chairperson of District 4 in New York City. Everyone is aware of the devastation that has occurred in Brooklyn, Queens and Staten Island. It has completely devastated the volunteer ambulance services who serve their communities.

Ambulances have been destroyed, medical equipment and supplies lost. In most cases they have the manpower to respond, but have no medical equipment, supplies or vehicles to respond with. In addition, they have been collecting items for distribution to their residents. The community has been often very generous in donating items for the residents, but again distribution has been very, very difficult. They desperately need help.

Ryan and I would like to ask that if you any equipment, supplies, spare vehicles, etc. that you would be willing and able to donate, PLEASE HELP!

Additionally, if you have the ability to give of your time, that is needed as well.

Ryan can be contacted directly at 646.879.8545.

Colleagues, please, anything you can do would be gratefully appreciated.

If you would like to make a donation to the effort of District 4, it can be sent to:

NYSVA&RA, District 4
PO Box 883991
Ridgewood, NY 11388

Than you for any assistance you can provide.

BE Safe!

Mike
