

You just received a subpoena...you're being sued from a call 4 years ago!

**Would you remember this call?
How well did you document it?**

This four hour presentation deals with med/legal issues such as consent and refusals, the largest cause of litigation in EMS, as well as giving you a template to use when writing your patient care reports.

May 20, 2013

6:00 – 10:00 pm
