

# CAUGHT IN THE ACT

of doing something...

# GOOD

The Office of Prehospital Care and the Wyoming-Erie Regional EMS Council have launched a **CAUGHT IN THE ACT** campaign to recognize people who positively influence EMS.

Simply be on the lookout for members of the EMS community who go above and beyond the expected through stellar performance, dedication, responsibility, leadership or *exceptionally* professional behavior.

*When you catch 'em in the act...*  
log-on to the OPC Web site  
[www.OPCEMS.org](http://www.OPCEMS.org)  
and select **CAUGHT IN THE ACT**

Provide us with details of **THE ACT** and we'll provide recognition where recognition is due!

All nominations will be considered for EMS Council Awards!
