

## **CPAP Training**

The Wyoming-Erie Regional EMS Council and Office of Prehospital Care are pleased to announce two CPAP training opportunities!

WREMAC protocols now allow the EMT-Intermediate to use CPAP. This training will serve as a credentialing process for all Advanced EMTs (Intermediate, Critical Care, & Paramedic) to use CPAP. Each presentation will be given by Dr. Joe Bart and will provide an overview of pathophysiology, indications, contraindications, and application of CPAP. Food and beverage will be served!

**Friday, September 23rd**

7PM

**Lancaster Volunteer Ambulance Corps**

40 Embry Place

Lancaster, NY 14086

**Tuesday, September 27th**

7PM

**Orchard Park Fire Hall**

30 School Street

Orchard Park, NY 14127

We kindly request providers to RSVP to the Office of Prehospital Care by calling (716) 898-3600.

Don't miss this important FREE training!

**Office of Prehospital Care Mission Statement:**

"To ensure that the residents of the Western New York community receive the highest quality out-of-hospital care available through medical oversight, provider education and training, information dissemination and continuous quality improvement activities."
