Robert M. Graber, Clerk of the Erie County Legislature
92 Franklin Street, 4th Floor
Buffalo, NY 14202

Dear Robert,

Per your request on September 17, 2012, please find enclosed the written report and supporting documents from the Irish Classical Theatre Company to the County of Erie, with regard to the \$50,000 generously received from Erie County for capital projects.

As you may know, it is the mission of the Irish Classical Theatre Company to present the greatest works of dramatic literature, produced at the highest level of artistic excellence, for the public of Buffalo, Western New York, and Southern Ontario, and subsequently, national and international audiences. Support of the Irish Classical Theatre Company is both an investment in Buffalo's premiere producing theatre, which continues to be recognized publically for its high artistic and quality standards, and in a fiscally responsible organization that is proactive and effective in its efforts to increase and diversify its revenue sources in order to maintain the high standards of excellence for which it is known.

This report was originally submitted on December 20, 2011. Should you have any questions or need any further information pertaining to this report, feel free to contact ICTC's Development Coordinator, Megan Bell, at (716) 853-1380 ext. 106, or via email at development@irishclassical.com.

Best regards,

Fortunato Pezzimenti

Mr. Darren Kempner, Deputy Commissioner for Environment & Planning
Edward A. Rath County Office Building
95 Franklin Street, 10th Floor
Buffalo, NY 14202-3973

Dear Darren,

Please find enclosed the following documents pertaining to Irish Classical Theatre Company's capital improvements grant from the County of Erie in the amount of \$18,000 to fund the purchase of new, energy efficient instruments:

- Final quote from Production Advantage
- Order Confirmation Receipt from Production Advantage to ICTC Technical Director Brian Cavanagh
- Packing Receipt – 60 HPL-575 lamps from Ushio America, Inc.
- Packing Receipt – 60 Twist Lock Plug Male
- Packing Receipt – 60 Safety Cables from Production Advantage
- Packing Receipt – 44 Fresnels, 44 C-clamps, 16 Source-4 Jrs from Production Advantage
- Photographs of purchased equipment, not yet installed (photos taken 12.19.2011)

I am pleased to report that all of the equipment included in the original proposal has been purchased and delivered. Installation is scheduled to begin in early January, and be completed by late February.

Due to the large quantity of equipment ordered, ICTC was able to negotiate a discount from Production Advantage on the proposed equipment. As a result, ICTC was able to purchase the proposed equipment as well as all of the necessary accessories for the equipment, including lamps, pipe clamps, safety cables, twist-lock plugs, and cover shipping costs within the allotted \$18,000 of funding. The total cost of the project was \$17,933.

Funding awarded from the County of Erie:	\$18,000
Final Project Costs:	<u>\$17,933</u>
	\$ (67)

Should you require any additional information pertaining to this grant, please feel free to contact me directly at (716) 853-1380 ext. 106, or via email at development@irishclassical.com.

Thank you, again, to the County of Erie for its generosity in funding this project. This new lighting equipment will greatly improve ICTC's energy efficiency and enhance the quality of ICTC's theatrical lighting while reducing replacement and utility costs for the organization.

Best regards,

Carrie Elisabeth Wicks
Development Coordinator
