**Dear Superintendent Diina:**

**Thank you for your prompt response to my letter dated August 23rd, regarding vending machines.**

**During the week that you were on vacation, I called your office on three occasions, inquiring as whether inmate David Glenn who, attempted suicide in July, were still in the hospital? After not receiving a response, I called your office, and reminded your secretary that, I had called requesting this information on two previous occasions. She stated that you were on vacation and she had referred my calls to Deputy Superintendent Mike Reardon. Reardon never responded to my request. For your information I did not inquire as to what Glenn's condition was, I only asked to know, "if he were still in the hospital."**

**In the future, I would appreciate if you would provide me with the name and telephone number, of the staff person who should be contacted regarding questions concerning inmates. In turn I will share this information with members of the ECCAB.**

**Sincerely,**

  
**Reverend Eugene L. Pierce**
