Dear Mrs. Grant;

**Re: Sr. Social Service Support Specialist, Department of Social Services.**

After having met with the Health and Human Service sub – Committee Tuesday October 30, 2012 regarding the elimination of Sr. Social Service Support Specialist from the 2012 budget; we would like your endorsement of our request to meet with the Fiscal Management Subcommittee during their next session.

We believe that the support of this committee would be helpful to obtaining legislative action in support for the restoration of the Sr. Social Services Support Program Support Specialist to the Department of Social Services 2013 budget and beyond.

Thank you in advance for your time and attention to this matter. I look forward to being added to agenda for the next meeting of this committee.

Sincerely,  
Annette Cole
