**Re: Erie County Community Corrections  
Advisory Board**

Dear Director McLaughlin;

Please be advised that my term on the Erie County Community Corrections Advisory Board will expire as of February 2013. It will be necessary for you to appoint another individual to serve on this committee for a full three year term. Circumstances preclude me from committing to a full term of service with this board.

Thank you for the opportunity to serve on the Erie County Community Corrections Advisory Board. The past two years have been interesting and I am grateful for the opportunity to have met some wonderful individuals who comprised the board. Together a great deal of good discussion led to a number of good ideas generated. I would like to believe that in some small way I may have made a difference.

Respectfully submitted,  
  
Michael Lex  
Probation Supervisor
