RE. Energy & Environment Committee, interviews for position of Commissioner of the Erie County Water Authority

Dear Mr. Graber:

As you are aware, a term of a Commissioner of the Erie County Water Authority will expire on April 27, 2013, and following your dissemination of a general call for letters of interest for this position on January 25, 2013, I have received a letter from a candidate interested in serving in this position.

Accordingly, I was hoping that you would work with Legislator Terrence D. McCracken, Chair of the Energy and Environment Committee, in the scheduling of a public meeting of his committee for Thursday, February 14, 2013 to interview all interested candidates, pursuant to the Legislature's Rules of Order. Also, please send all meeting notices and postings to members of the Legislature and the general public as is also required by our Rules of Order.

Thank you for your cooperation in this matter.

Sincerely yours,

Betty Jean Grant, Chair
Erie County Legislature
